

Terms of Service

Jess Trading (JessTradingBots)

Last updated: 8 June 2026

1. About these Terms

These Terms of Service (the “Terms”) govern the sale and use of the Range Breakout Bot and related materials sold under the brand “Jess Trading” / “JessTradingBots”. By purchasing or using the Product you accept these Terms in full. If you do not agree, do not purchase or use the Product.

The Product is sold by Joaquin Esperon Solaro, an individual resident in Spain, NIF 42378795F, with address at Carrer Major 22, Costitx, Illes Balears, 07144, Spain (the “Operator”, “we”, “us”). You can contact us at jesstradesinfobot@gmail.com.

2. Definitions

- **Product / Bot** — the Range Breakout Bot: a MetaTrader 5 (MT5) Expert Advisor delivered as an .ex5 file, together with the setup guide, video walkthrough and pre-configured settings supplied with it.
- **Platform** — Whop, the third-party marketplace and payment processor through which the Product is sold and delivered (operated by Whop Inc.).
- **You / Customer** — the person who purchases or uses the Product.

3. The Product

The Product is software that runs a rule-based range breakout strategy on XAUUSD and four major forex pairs (EURUSD, GBPUSD, USDJPY, EURJPY) inside the MetaTrader 5 terminal, according to parameters you configure. The Product is a tool only. It does not open an account for you, does not hold your funds, and does not manage your money. Your capital remains with your own broker at all times.

4. Eligibility

You must be at least 18 years old and legally able to enter into a contract in your jurisdiction. You are responsible for ensuring that the use of automated trading software and the trading of forex / CFD instruments is lawful where you live.

5. Purchase, price and payment

All purchases are processed by the Platform (Whop). The price shown at checkout is a one-time payment for a lifetime licence, unless stated otherwise at the point of sale. Taxes may be added depending on your location. We do not store your full card details — payment data is handled by the Platform and its processors.

6. Licence

Your right to use the Product is granted under the End User Licence Agreement (EULA) supplied with the Product. In summary, you receive a non-exclusive, non-transferable, lifetime licence to use the Bot on the number of MT5 accounts stated at checkout (up to two). You may not resell, redistribute, share or reverse-engineer the Product. The full terms are in the EULA,

which forms part of these Terms.

7. Refunds

Refunds are governed by our Return Policy, which offers a 14-day, no-questions-asked refund window. Nothing in these Terms removes any mandatory refund or withdrawal rights you have as a consumer under EU law.

8. No financial advice

We are not a broker, investment firm, financial adviser, or registered investment professional. The Product, our website, our communications and any figures we publish do not constitute investment, financial, tax or legal advice, nor a solicitation or recommendation to trade any instrument. You are solely responsible for your own trading decisions, your choice of broker, your capital allocation and your risk settings.

9. No guarantee of results; trading risk

Trading forex and CFDs, including XAUUSD, carries a high level of risk and may not be suitable for all investors. Leverage can work against you as well as for you, and depending on your broker and leverage your losses may exceed your initial deposit. Past performance — including backtests, demo accounts and live tracker data — is not indicative of future results. We make no representation or warranty that the Product will be profitable or will avoid losses. You use the Product entirely at your own risk. The full risk warning is set out in our Risk Disclosure.

10. Acceptable use and restrictions

You agree not to: (a) copy, resell, sublicense, rent, lend, distribute or publish the Product or its settings; (b) decompile, disassemble or reverse-engineer the Product, or attempt to extract its underlying logic; (c) use the Product for any unlawful purpose; or (d) misrepresent the Product, its performance, or your relationship with us. Breach of this section terminates your licence without refund.

11. Intellectual property

The Product, including the .ex5 file, the strategy logic, the brand, text, graphics and materials, is owned by the Operator and protected by intellectual property law. No ownership is transferred to you — you receive a licence to use, not title to the software.

12. Disclaimer of warranties

To the maximum extent permitted by law, the Product is provided “as is” and “as available”, without warranties of any kind, whether express or implied, including any implied warranties of merchantability, fitness for a particular purpose, profitability, or non-infringement. We do not warrant that the Product will be uninterrupted, error-free, compatible with every broker or MT5 build, or that it will meet your expectations.

13. Limitation of liability

To the maximum extent permitted by law, the Operator shall not be liable for any trading losses, lost profits, lost opportunities, or any indirect, incidental, special, consequential or punitive damages arising out of or relating to the Product or these Terms, even if advised of the possibility of such damages. Our total aggregate liability for any claim arising out of or relating to the Product is limited to the amount you actually paid for the Product. Nothing in these Terms limits liability that cannot be limited under applicable law (including liability for fraud or for

death or personal injury caused by negligence), nor your mandatory rights as a consumer.

14. Indemnity

You agree to indemnify and hold harmless the Operator from any claim, loss or expense arising out of your breach of these Terms or your unlawful or improper use of the Product.

15. Suspension and termination

We may suspend or terminate your licence if you breach these Terms or the EULA. On termination you must stop using the Product and delete all copies. Sections that by their nature should survive (intellectual property, disclaimers, limitation of liability, governing law) survive termination.

16. Third-party platform

Sales, delivery and payments occur through Whop, which has its own terms and privacy policy. We are not responsible for the Platform's availability or conduct. Disputes about payment processing may also be subject to the Platform's rules.

17. Changes

We may update the Product and these Terms from time to time. The "Last updated" date reflects the most recent revision. Material changes will apply to purchases and use after they take effect.

18. Governing law and jurisdiction

These Terms are governed by the laws of Spain. Subject to any mandatory consumer-protection rules that grant you the right to bring proceedings in your country of residence, the courts of Illes Balears, Spain shall have jurisdiction over any dispute.
